Minutes

Old Business

Trunk or Treat was a success, no official word yet.

New Business

Annie Diaz: Steam Night is coming up

Talent Show is not an evening event. It is in a school day.

Dennis: Listed is in the evening.

Annie: It is being corrected

Chairs need to be set up not benches. Seating concerns will be brought up to the committee.

Parent and a community member is supposed to be present at every site council.

Vanessa: Concerns about STEAM Night. Are we supposed to be at all of them?

Pamela Wright: Need a representative from each grade level each time.

Pamela Wright: There is frustration about Title I nights and they will be set up differently next year. Steam night is funded by donations, but the Title I money is not here other than budget.

More specificity is needed for signup and planning.

Make sure we are coming out for STEAM night. We need our kids involved because the AZ Science Center.

General concerns about notice in events.
